

To whom it may concern,

Apr 25, 2021

This is a recommendation letter for Mr. Erick Luna. I've known Mr. Luna as my personal contractor for over 7 years. During that time he has completed numerous projects at my home to include: two bathroom remodels, large fence project, the construction of both a gazebo and pool house, an addition to my home, and upgrades to my deck.

Mr. Luna as always completed excellent work that has exceeded my expectations. He is punctual and reliable. There have never been any issues with his work and I have never had any complaints with the projects he has finished. I have recommended him to numerous friends and colleagues without hesitations. He is one of the most intelligent contractor/businesspersons I have come in contact with in my career. He also has the skill set of architecture, envisioning best layouts for the projects listed above.

I have no doubt that Mr. Luna would be an asset to any company that hires him. He is intelligent and confident. I have no uncertainty in writing this letter of recommendation and nothing but praise and admiration for Mr. Luna. He has the utmost competence in completing any task placed in front of him. Please contact me with any questions, 510-541-4980.

Sincerely,
